RE: FY 2008-2011 TIP Adjustment for the Nashville Area MPO

Dear Ms. Sartor:

Enclosed is Adjustment # 2008-003 to the Nashville Area MPO Transportation Improvement Program which has been approved according to the procedures adopted by the Nashville Area MPO Executive Board and public participation measures that meet federal requirements.

The City of Murfreesboro has requested a TIP adjustment for project #2004-014 - *CCTV and Traffic Signal Interconnect*. This project is eligible for 100% CMAQ funding. The local share for the project has been removed leaving only the unchanged federal share. Original and Revised TIP pages for the project are included in this package. This adjustment will result in a fiscally constrained TIP.

Thank you for your assistance in processing this request. If you have any questions or comments, please contact me at 862-7186.

Sincerely,

Michael Skipper
Director
