Description: Provide advanced air quality alert notices, produce ridesharing and vanpooling promotions; develop clean air partnerships.

Background: This project was included in the FY 2006-2008 TIP but not carried forward to the FY 2008-2011 TIP as it was supposed to be completed by the end of the previous TIP. It was amended into the FY 2008-2011 TIP in April 2008 but no money was associated to it. It is now being amended to add CMAQ funds in FY 2009.
