Description: Renovate the MTA Maintenance Facility located at 130 Nestor Street to provide improved accessibility to customers, increased efficiency of vehicle movement and improved maintenance operations.

Background: This project is being removed from the TIP.
 A portion of the ARRA funds from this project (\$1,414,151) was shifted to TIP project # 2009-15-049 – *MTA Administration Building Rehabilitation* due to project duplication. The remaining amount (\$926,000) was moved to a new TIP project # 2009-15-031 – *MTA ARRA Operating* for operations.
