Description: Start up vanpools at clustered worksites by partnering with local governments and private employers to expand awareness of transportation alternatives.

Background: This is an existing project in the FY 2008-11 TIP. The amendment combines FYs 2009 and 2010 funds into 2010 and reprograms funds with S-CMAQ, subject to availability per TDOT. Also, FY 2011 CMAQ funds are removed from the TIP due to the FY 2009 rescission of federal funds.
